AC016
DIGITAL MFP

FEATURES

The Lanier AC016 offers superior value for low-volume professional environments, including real estate offices, law offices, physician offices, and others offices that need versatility and quality in a cost-effective desktop system. This feature-rich, all-in-one solution offers an affordable combination of digital copying, faxing, color scanning, and printing in a compact, space-saving footprint. The AC016 delivers up to 16 pages per minute at 600 dpi and offers copying and scanning capabilities for legal-size documents.

Cost-effective digital copying and scanning

- More powerful and versatile than any analog or inkjet unit
- Copy and scan legal-size documents on 8.5" x 14" platen
- Separate toner and drum supplies reduce operating costs
- 600 dpi color scanning delivers high-quality results

Fast desktop laser printing

- Prints up to 16 pages per minute for rapid throughput
- Duplex printing saves paper, costs
- 550-sheet paper capacity minimizes reloading

Powerful fax performance

- 33.6 kbps modem speeds transmission, lowers long-distance costs
- 30-sheet automatic document feeder
- 4MB memory stores up to 320 pages

Convenient design, exceptional value

- Multifunction operation eliminates separate supplies costs for copying, printing, faxing, and scanning
- Compact footprint saves real estate in space-restricted offices
- Standard PC interface for one-to-one connectivity
